Below are summaries; all policies are explained in full on my website at

[www.stephensguitarlessons.com/#faq-section](http://www.stephensguitarlessons.com/#faq-section)

### **Monthly Payment Option (Lessons Subscription):**

— I also offer an easy and convenient monthly payment plan: for \$185 per month you'll get a weekly online or in-person lesson in a recurring slot...even when there are 5 in a month! (2-month commitment required to start or restart a subscription; please see FAQ #14 on my website for details)

### **Free Introductory Lesson:**

— I'm happy to offer to all prospective new students a free, no-obligation introductory lesson—a real lesson, too, not a sales pitch!—after which you can decide if you want to continue with a paid lessons package. (one free intro lesson per family/household)

### **Audio and Video Recordings of the Lessons (Online and In-Person):**

- Audio: Free! Just ask to have the file emailed to you after your lesson.
- Video: Also free, but this service may not be available with some online platforms.

### **Sheet Music / Tablature / Music Folder:**

- I always provide music/tab for any material or exercises that we go over in the lessons, via email for all students, as well as a printed copy for in-person students...all for free!
- For online and in-person students, a music folder (with some extra goodies inside) and a guitar pick tin with picks are included free with your first package or subscription purchase; they can also be purchased online through my website.

### **Equipment Usage / Purchase Costs:**

- There is no fee to use my spare guitar, amp and/or cable at in-person lessons; I also have a capo, picks, etc.
- As an authorized dealer I offer brand-new, premium strings, effects pedals, and other accessories, from top brands and at great prices. (please see FAQ #28 on my website for details)

### **Rescheduling / Cancellation Policy:**

— If at any time you find that you won't able to make your regularly scheduled lesson for any week, we'll try to reschedule it for another day that same calendar week; if we can't, it will be considered a "missed" lesson. Packages of 8 or 10 lessons get one allowed missed lesson before I start deducting them from your package; packages of 12 lessons get two. (full details in FAQ #15 & #16)

### **Package Cancellation Fee:**

— If you cancel your first lessons package before you have attended four paid, non-rescheduled lessons, there will be an administrative fee deducted from any refund. (please see FAQ #16 for full details regarding refunds in general, and this fee specifically)
